PRICE - POA

This exquisite property exemplifies modern sophistication and timeless style. Designed with the discerning homeowner in mind, every detail of this residence has been meticulously crafted to offer an exceptional living experience.

Ground Level

- This luxurious home features an expansive open-plan ground floor with high ceilings, large sliding doors, and panoramic garden views. The layout includes a study, drawing room, and a state-of-the-art Italian kitchen, ideal for both living and entertaining.

Lower Ground Level

- The lower ground level is dedicated to relaxation, offering a games room, cinema, spa, gym, and a serene zen garden with an olive tree. This level also includes a wine room, utility room, and an au pair's bedroom, creating a perfect retreat.

Upper Floors

- Upstairs, the first and second floors provide five spacious double bedrooms, each with an en-suite bathroom. The principal suite stands out with a luxurious dressing room and bespoke joinery.
